## **MATCH RESULTS**

**JANUARY 6, 2019**

Well, the second match of the season is in the record book. We had 9 seasoned shooters (meaning mostly "old" guys) for this match, up 2 shooters from last month, so we're slowly headed in the right direction-attendance wise. For those of you that didn't attend this time, we enjoyed almost perfect weather conditions for January in Northeast Oregon. Temperatures ranged from the upper 20's to nearly 40 degrees, with sunshine and no wind (and no mosquitoes!!). Not quite shirt sleeve weather, but pretty nice!

Special mention and appreciation is extended to Randy Hampton for the fine snowplowing job in the parking lot and out to the target stands, and to Darrel Plank for coordinating the plowing and for additional hand shoveling so we can find the silhouettes in the snow.

The shooting went like this:

For the first relay, Allan G. took 1<sup>st</sup>. place with a score of 25. Kevin D. took 2<sup>nd</sup>. with a 23, closing fast was Dick H. with a 22. We had one open-sight shooter, Darrel P. with a nice score of 17 (great for open sights).

For the second relay, we had Gary L. in 1<sup>st</sup>. place with a 25. Darrel P. changed to a scoped rifle and took 2<sup>nd</sup>. with a score of 24. Kevin D. stayed consistent with a nice score of 23.

For the overall scores, Gary L. took 1<sup>st</sup> place with a tie breaker of 25, Allan G. was 2<sup>nd</sup>, also with a nice 25 score (dang that pig), and Darrel P. was 3<sup>rd</sup> with a 24.

Great shooting everyone!!

Merchandise prizes were awarded again this match by random drawing. Bob B. took home a 325 round box of ammo, courtesy of the Oregon Trail Trader (didn't he get a box of ammo last time also??). Dave B. received a coffee cup, courtesy of D&B Supply. Darrel P. selected a gun stock comb adjuster, courtesy of Granite Precision Machining, and Kevin D. received a fleece beanie, courtesy of Ochoco Outdoors. Many thanks for the support from these businesses.

Thanks again to everyone who attended and to everyone who helped with setup/takedown. The next match will be on Sunday, February 3, 2019, beginning at 9 am. Bring your family and friends. Dress warmly and check the [lgrpc.com](http://lgrpc.com) website for schedule and contact information. If the weather looks really bad, feel free to call Darrel or Gary for last minute schedule changes. See you then.
