### OLD BUSINESS

Gun club has \$15,100.00 in the coffers.

## **NEW BUSINESS**

Future work party will be needed to prepare 300 yard range score shack for a new floor. Watch for notice.

Potential future plans for the 300 yard range include: a covered concrete slab with picnic tables, and a building for

indoor air rifles, archery and possibly .22's. The club will obtain bids on the potential projects in the future.

The club now pays \$25.00 for use of the meeting room at the library for our monthly meetings.

The Game Commission will be conducting a fish survey in the future.

Vote was held for officers. The only change is Frank Taggart stepped down as a trustee and Les Henderson stepped forward for the position as trustee.

Respectfully submitted,

Martha J. Bailey
