### Old Business

Dick Hohstadt took pH samples of the soil at the ranges last October. Samples were tested February 2016, the pH of the samples returned within the desired levels. Lime will be applied to the firing line at the 300 yard range and the trail walk.

### New Business

Darrel Plank received a letter from the Department of Energy regarding stream enhancement that will be initiated around Bird Track Springs.

Members are encouraged to submit ideas for future grant projects.
