

_22 Benchrest Matches

The La Grande Rifle and Pistol Club will hold 22 matches the third Saturday of the month from June through October. The matches are for 22 long rifle only. The cost for the match is \$5.00.

The matches are fired at 100 yards on the A-25 target (see below). The top target is for unlimited sighters and you fire 10 shots on each of the two lower targets for score. You have 20 minutes to fire these shots. This completes the first relay. Then you will place another A-25 target on the backer and fire the second relay on it in 20 minutes. You need 40 rounds plus sighters to shoot the match. The event should take only about an hour. You will score your own targets, place and retrieve the backers and targets, record the scores, and most importantly, HAVE FUN.

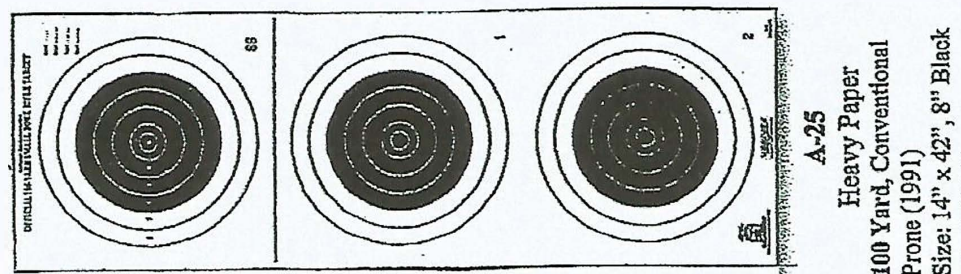

There are several categories of rifles, equipment, and shooting styles.

Plinker ___ as sold by the manufacturer with iron or scope sights (up to 10X)

Sporter ___ As above but may have trigger work or bedding up to 20X scope

Unlimited ___ Custom barrels, stocks etc. no limit on scope.

Shooting from a bench, you may use a bipod, or bipod w/rear bag, two piece rest (front rest and rear bag) but no Lead sleds or one piece rests. You will find a spotting scope handy as well as a stapler for the targets. Matches will start at 9:00 so you need to get to the range by 8:30 or so to get signed in and set up your target. **HEARING AND EYE PROTECTION ARE REQUIRED!** The first match is scheduled for June 20.
