

## June Airgun Match Results

We had a small turn out but a very nice day (since we were shooting in the shade). The fight for first place was pretty fierce and last place was pretty sad since the guy ahead of her got a zero on one stage. Ouch.

1) Darrel Croucher	30
2) Darrel Plank	29
3) Lee Sancoy	19
4) Cherie Austin	17

Next month's match has been canceled since the Cowboy Action Shooters are having their week long major match shindig and there will be campers in the wooded area we normally shoot in. Hope to see you all in August on the 18th.
