

All-in-all it was a very good day.
I hope all of you had as much fun as I did and I didn't even shoot!

It's taken a couple of days to get my head around the match. The weather was perfect, the company was great, and the BBQ was excellent.
We weren't quite prepared for the number of shooters who came but we were thankful for every one.

We were short a couple range safety officers due to the fires and hunting season. Next month we will field 5 squads.
Our goal for September was to finish the match by 1pm. We were an hour late. The number of squads was one problem.

We also had some minor issues in registration and assigning shooters to squads. There were additional time eating situations with sharing carbines and getting magazines loaded. A couple of carbine malfunctions added to the time.

Somehow one empty case dropped into the trigger group instead of ejecting properly, locking everything up.
Another carbine broke . . . IN HALF. Rocky went to the line with his weapon and came away with it in two pieces.
I'd guess that didn't help his concentration!!!

Once again we staved off a zombie invasion.

As Hickok45 says, "Life is Good."
